## SUMMER TIME IN BALTIMORE!

Although the mural at Liberty Heights Avenue and Reisterstown Road (across from the Mondawmin Transportation Hub) has been completed, it will take commitment on the part of the Liberty Square Community to keep this corner free of litter and overgrown weeds. On Thursday, July 10th Baltimore City workers had the huge task of cutting down an abundance of overgrowth in the 2700 block of Reisterstown Road. There were at least four City workers out there working in the hot sun; I stopped to offer to purchase them something cold to drink simply because I appreciated what they were doing. I asked if they had time would they mind cutting the weeds growing from the tree pits (*one shown above*), which is just around the corner. And, they did just because. They understood how it is when neighborhoods are trying to make a difference. I started picking up the trash as best I could, but it is going to take some of the same people who live in the neighborhood, who have commented that the corner looks better and is uplifting, to care for it. That means cutting weeds, caring for the plants/flowers and picking-up trash almost daily. Obviously, the City cares about our neighborhoods and we do, too. - Carey

# The President's Message

Greetings!

GMCC has been on the move this summer. Check out the mural on the corner of Liberty Heights Avenue and Reisterstown Road. This is a busy intersection and a welcome addition to this corner. Mosaic Makers received a grant and partnered with GMCC. Community Service Workers cleared the brush and painted the wall. Parks and People youth workers constructed the mural with Mosaic Makers. The Howard Peters Rawlings Conservatory donated flowers and a container – Parks and People donated flowers as well. Carolyn Carey, GMCC Office Coordinator, purchased the soil and Dietra Johnson, Parkway Community, planted the flowers in the container. This was truly a labor of love that has uplifted the entire Greater Mondawmin community. Team work makes the dream work.

Students have been hired from the historic Frederick Douglass High School to work this summer at the William S. Baer School. Hunts Memorial United Methodist Church of Towson is funder and GMCC is the fiscal agent. This is the second year for this partnership. The Baer School is excited about this partnership and so are we!

The Greater Mondawmin Community has been selected by the Department of Public Works to be a part of the Municipal Trash Can and Recycling pilot project. Residents received new trash cans and recycling bins. All residents are asked to place their trash in the receptacles – please place your trash in a trash bag. Let's keep our community clean!

Remember to check on your neighbors during these hot summer days – especially the elderly. If needed, please purchase a senior neighbor a fan for their home. We are our brother's keeper.

GMCC is sponsoring a \$20.00 Movement. This is an opportunity for you to be a part of our organization with a financial donation. We have been an advocate and mouth piece for the Greater Mondawmin area for nearly 40 years. Your financial contribution will support our operating expenses and secure our seat at the table on your behalf.

During the summer, stay cool, keep your neighborhoods clean and join your Neighborhood Association if you have not done so - together we make a powerful difference.

Keep the faith,

Jacqueline I. Caldwell

## COMMUNITY ACTION ALERT

Mayor Stephanie Rawlings-Blake and Baltimore Police Commissioner Anthony Batts, along with the Mayor's Office on Criminal Justice and a number of community leaders, and elected officials, announced the mayor's plan to host a series of town hall forums to discuss the implementation of the newly amended curfew legislation and to answer questions from residents.

The town hall forums are efforts to offer members of the community an opportunity to connect with her Administration and other City leaders in an effort to foster dialogue that will lead to more solutions to keep children safe and out of trouble. The town hall meetings will be held:

- **Monday, July 21 at 7:00 pm** Morgan State University 1700 East Cold Spring Lane
- **Tuesday, July 29 at 7:00 pm** University of Baltimore Law Center 1401 North Charles Street (Mt. Royal Street Entrance)

# Our Neighborhoods

Robert W. Coleman  
Community Organization (RWCCO)  
Adeline Hutchinson, President.

Hello Mondawmin Neighbors:

The Robert W. Coleman Community Organization will not hold monthly meetings during July and August. We will resume our meetings in September. That is not to say that we will not be working on projects. For example, after much success with the Ridgehill Avenue lot (above) that was once filled with trash, we will start work on Storm Drain Art with a paint date starting on July 28, 2014. Please contact President Hutchinson on 410-669-0063 if interested in volunteering. This is a great project for our youth.

Save the dates for RWCCO's upcoming Family Friday Nights at the Movies. Yes, we have a park located in the rear of 2201-2213 Clifton Ave.

- Friday, July 11th – Documentary & The Lego Movie
- Friday, July 25th – Daddy Day Camp
- Friday, August 8th – The Pirates, Band of Misfits
- Friday, August 22nd – Ruby Bridges

In the event of rain, the movie will be shown the following week. Bring snacks, we will provide drinks. A donation is welcomed. Bring your lawn chairs and/or a blanket.

Hope you have a safe and enjoyable summer, and we will C U @ the Movies.

The New Auchentoroly Terrace  
Association, Inc. (ATA)  
Barbara Anderson-Dandy, President

ATA's last monthly meeting until September was held in the Community Room at Mondawmin Mall on Thursday June 12, 2014. Special thanks to Donna Cypress for reading the minutes and Patricia Flanagan for the delicious homemade cookies. Residents welcomed new members: Nicholas Lee, Larry Johnson, Melissa Thomas and Denise Dorsey.

Residents welcomed Ryan A. Turner, Founder/ Executive Director of "The Akoben Foundation, Inc." Mr. Turner shared information in reference to the programs /initiatives of the foundation. For more information visit [www.AkobonFoundation.org](http://www.AkobonFoundation.org) or call 410 -231-3391.

## "ATA's Greet & Meet the Candidates"

- Marilyn Mosby, Candidate for Baltimore City State's Attorney
- Quianna Cook, Candidate 40th Legislative District, MD House of Delegates

Candidates provided residents with information on important issues and their qualifications.

ATA's Youth Patrol, Kayla and Webb, Sonarda Glenn received Certificates of Appreciation and a monetary donation for graduating. Each will attend high school in the fall.

Darlene Dorsey, Chairperson for upcoming Youth Celebration, reminded residents to sign

# HEALTHY NEIGHBORHOODS UPDATES

up for the various committees for the back to school initiative.

Cori Ramos- Councilman Nick Moby's Office - Provided Updates for the 7th District and fire-fighters from Engine Company #52 shared info in reference to their outreach program.

Reminder: Our next Community Cleanup is August 23, 2014. Please join us! Community Service Workers will be available to assist residents in the cleaning of Hotspot areas.

Next Monthly Meeting; September 11, 2014

Have a Great Summer! Please see page 14

## The Parkway Community Association Gregory Jenkins, President

The Parkway Community mourns the loss of two of its longtime residents. Mrs. Sylvia White passed on June 7, 2014. She was a faithful member of the Parkway Community Association and member of the Greater Mondawmin Coordinating Council. Mrs. White would have celebrated her 88th birthday in October.

Mr. Reginald Combs passed on July 2, 2014. He celebrated his 99th birthday in February.

It was a joy to talk to and listen to both residents who shared so much knowledge about this community. Personally, I was inspired by both to do my part to help make our community a decent place to live. I will miss Mrs. White's quiet demeanor and stylish dress: colorful pants suits and complementing jewelry. I often told her she was my Hillary Clinton. Mr. Combs would invite neighbors to sit on his porch where he would tell stories about long ago. For example, when a man his color could only work in this community, but could not purchase a home. A change did come, and he finally purchased his home for \$12,000. He was proud of his home, family and community.

The Parkway Community Association celebrates the lives of two of its members who were an inspiration to the neighborhood. - Carey

## Discounts, Grants for City Water/Sewer Bills to Rise on July 1

Financial assistance on water and sewer bills for low-income Baltimore City residents will increase by 11 percent on July 1. The additional financial assistance is designed to match the increased water and sewer rates, as the second step of a three-year water and sewer rate adjustment goes into effect with the beginning of the 2015 fiscal year in July. A third increase, also of 11 percent, will go into effect the following July.

Residents who qualify for the Baltimore City Department of Public Works' Low Income Senior Citizen Water Discount Program will see a 39 percent discount on their water and sewer rates on each quarterly bill. That is up from the current 35 percent, and up from 30 percent just a year before that.

Residents who qualify for the Low Income Water Assistance Program will see an annual credit of \$161, up from the current \$145. One year earlier the annual low-income credit was \$125.

Both programs are limited to Baltimore City residents who get a water bill directly from the Department of Public Works (DPW). There are other restrictions, notably on household income. The DPW's Customer Support and Services Division can explain the details. Residents may call 410-396-5398 for information or an application.

## About Enrollment

Space in pre-k programs is limited. Sometimes, the program at a neighborhood school fills quickly; the district then offers families pre-k places at other locations as close as possible to home.

In placing students in pre-k at neighborhood schools, the district uses a system of priority groups.

### Priority 1: Income Eligible and Age Eligible

Children are both age and income eligible if they turn four by September 1 and qualify for free or reduced-price lunch or are experiencing homelessness. They have first priority for placement at their neighborhood school (or the nearest available location, if the neighborhood school's pre-k spaces are filled) and are immediately enrolled when their parents/guardians follow the registration steps listed on page 2.

Note that age-eligible children who receive special education services are also admitted in Priority Group 1, regardless of family income.

### Priority 2: Age Eligible

Children who turn four by September 1 but are not income eligible have second priority for placement.

Parents/guardians can still register their age-eligible children for pre-k by following the steps listed on page 2. Schools will accept registration materials for these Priority 2 children and, beginning on August 1, will begin enrolling them on a first-come, first-served basis. If a space is not available at a family's neighborhood school, the neighborhood school will help the family find a placement at the closest school with available seats.

## A Note about Early Admission

Children who are income eligible for pre-k (they qualify for free or reduced-price lunch or are experiencing homelessness) and who turn four between September 2 and October 15 can attend City Schools pre-k by following the steps below. To be eligible for early pre-k admission, parents must complete these steps by April 15, 2014 (one week after the opening of pre-k registration for the 2014-15 school year).

For early admission at neighborhood schools, parents should register children by submitting the documents described on page 2 directly to the City Schools district office (Attn. Early Learning Programs, 200 E. North Ave., Room 308, Baltimore, MD 21202), along with

- A Parent Checklist for Early Admission to Pre-k, available from City Schools (Room 308 at 200 E. North Ave.) or online at [www.baltimorecityschools.org](http://www.baltimorecityschools.org)
- A signed statement indicating they understand their child will not be age eligible for kindergarten the following year (see page 5 for more information about age eligibility for kindergarten)

Parents will receive a Pre-k Early Admission Eligibility Form that they can take to register at their neighborhood school. Note that registrations received after the April 15 deadline will not be processed. Also, children who are not four by September 1 and are not income eligible will not be accepted into pre-k at City Schools for the 2014-15 school year.
